ECHOES

ACTIVITY!AT BREAK

4 $\frac{1}{2}$  - it is very noisy inside and the noise seems to be amplified by the size and shape of the inside of this structure. It's almost deafening, - must wear hearing protection when in this area. Machinery-like noise.

PEOPLE  
TECHNICIANS

4 $\frac{1}{2}$  - there are people here - mostly technicians and maintenance-type personnel - they keep the machines running - constantly checking gauges and making adjustments. Dressed in dark grey/greenish-grey coveralls - dirty, oily, greasy.

Tool Boxes  
Tools  
dirty rag

maintenance/repair activity

4 $\frac{1}{2}$  - get the impression that there is some kind of association with aircraft.
